

Rocky Coast Club

Chief Warrant Officers Association - USCG

May 2010 Update

Greetings Warrants!

The Rocky Coast Club had our scheduled regular business meeting today at noon. What a great meeting! Everyone enjoyed pizza and soda. Well, all of us in the Scupper. Bill Mattoon and Mike Kenaley were attending via conference phone. We did tell them how good it was.

The Lobster Raffle Tickets are OUT!! For those that like to keep track, this is the 18th annual Lobster Raffle for our "club". Bill Mattoon had a lot of tickets with him in Oakland for the Annual Meeting. Mike Kenaley will be getting the tickets out to the rest of you with the next newsletter. If you just can't wait for them, call me and I'll drop some off if it's a local Southern Maine locale.

Bill Mattoon also played photographer at the Annual Meeting. I've posted a lot of pictures on our web site. Just click on the picture of the 2010 CWOA Officers and you will find all the pictures fit to print and some that aren't!

Two dates this month are very important! The first, **Mother's Day**, we must never forget! That's this Sunday, the 9th of May.

The second is **Memorial Day** on the 31st of May. This is the first of two days primarily to honor our military fallen. In recent years, it has grown to include family and current serving military members both at home and in harms way.

Also, Memorial Day marks the start of the summer tourists and travel. So, for those travelling, I wish you safe travels.

**See you Wednesday, 2 June 2010, 12:00 hours at the
Command Conference Room, USCG Sector Northern New
England, So. Portland, Maine**
