

17 March 1969

President,
Chief Warrant & Warrant Officers Assn.
P.O. Box 574, Franklin Station
Washington, D.C.

Dear Mr. President:

May I request that you place the name of the below-named individual before the National Council in accordance with the provisions of Article II, Section 3, of the Constitution & By-Laws of our Association, toward consideration of appointment as a Distinguished Member:

LCDR Elliott F. LOWRIE, USCG(Ret.)

Electd 4-18-69

Mr. Lowrie retired from the Coast Guard after 30-years' service; he has been a member of our Association -- a Charter Member -- since 1929. He served in many capacities in Coast Guard Headquarters on numerous occasions; in this time, he worked diligently and ably toward promotion of the Association and in many instances toward continuation of the Association during its tribulating times.

Mr. Lowrie is also a Charter Member of the Southern California Club and he participates in our meetings. His views may not always agree with Club's, but this is the type of participation that improves the field club's business. He is a dedicated and sincere member of the Association and one of our stronger promoters in the Association's administration and legislative policies.

It is hope that the National Council will look upon this nomination favorably as we all know there are certainly few members that claim to be Charter Members and are still active in Association work.

Sincerely submitted,

H. CRAVEN
