

27 June 1975

President Chief Warrant & Warrant Officers Association, USCG
National Headquarters
955 L'Enfant Plaza N., S.W. P-203
Washington, D. C. 20024

Dear Mr. President:

We, the undersigned, as members in good standing in the CW&WOA, and in accordance with Article II, Section 3. of the CW&WOA Constitution & By-laws, do hereby nominate CWO4 Archie C. YANO for distinguished membership.

CWO YANO has held the following positions in the association:

President - 1973

Vice President - 1972 (served unexpired term of CWO Ralph Williams)

He has served on the following committees:

Chairman, By-laws Committee
Chairman, Legislative Committee
Chairman, Permanent Finance Committee
Chairman, Ballot Committee
Chairman, Goals & Objectives Committee
Chairman, Membership Committee
Chairman, By-laws Committee (Washington DC Area Local Club)

His performance of duties, both as an elected official and committee member has always been outstanding. A glance at the record shows he is always involved in the tedious and exacting work of the association. It has almost become automatic to task Archie with the more difficult committee work, knowing beforehand that it will be done and done well. An example in point, - in 1974 as Chairman of the By-laws Committee, he supervised an in depth study which resulted in a badly needed updating of the by-laws. Additionally, he transposed the Constitution and By-laws onto magnetic tape for safekeeping and future convenience for research. Again, when the Washington DC Area Club formed in October 1974, CWO YANO immediately offered his services to the president of the club. He was appointed chairman of the Charter and By-Laws Committee. Archie spent long hours on this project, and as usual presented the club with a well written comprehensive set of By-Laws.

Our nomination, however, is not based solely on positions held within the association. More important we feel, is his unwavering devotion to the association and his willingness to serve in any capacity. Certainly, CWO YANO has made significant contributions to the association, and in our opinion, meets all the criteria for distinguished membership. We feel he should be honored accordingly.

CWO4 (Ret) JOHN A. KELLER

CWO3 DEAN G. WHEEL
