Dear Mr. President:

The Philadelphia Chief Warrant and Warrant Officer's Association takes great pleasure in submitting for your attention a nominee for Distinguished Membership as presented under Article II, Section 3 of the National Associations By-Laws.

CWO4 Charles M. Tomarchio has generously devoted his time and effort to make a success of our newly formed club. His tireless efforts in locating charter members coupled with his unique charismatic style quickly made our club a functional organization, benefiting not only the local area but the National Association as well.

CWO4 TOMARCHIO has always played key leadership roles in the Association. At his initial meeting with the Norfolk District Chapter in 1975 he accepted the position of sub-secretary. In 1976, 78 and 79 he was the Secretary for the Norfolk Chapter and President in 1977. While President of the Philadelphia Chapter, 1980 - 1982, the club made great strides both in development and more importantly assisting Coast Guard members and family. Christmas care packages to needy Coast Guard families have become hallmarks of our club. In 1983 CWO4 TOMARCHIO continued to serve as the club's Secretary up until his permanent change of station.

In nominating CWO TOMARCHIO we express the opinion of all who have served with him. CWO E. S. MATTESON of the Norfolk Chapter for one agrees that CWO TOMARCHIO fills the billet as a Distinguished Member of the Warrant Officer Association.

We sincerely hope that you too will agree and honor CWO4 TOMARCHIO with the much deserved title of Distinguished Member.

Sincerely,

Richard C. Steinhaus CWO3 USCG
