President
Chief Warrant and Warrant Officers Association
Washington, D. C. 20024

Dear Mr. President:

It is my pleasure to recommend Chief Warrant Officer David T. Daniels for distinguished membership in the Chief Warrant and Warrant Officers Association.

As you know Mr. Daniels has always been a strong supporter of the Association. He has served as Treasurer for two years, Vice President for one year, and as immediate past President. He is now serving as Chairman of the Fifty Year Anniversary Committee.

Last year I had the opportunity to travel to New York and New London Clubs with Dave and was most impressed with his enthusiasm for the growth and unity of our Association. As the current President, I have had numerous occasions to call on Dave for guidance and help. He has, on every occasion, responded to my requests.

Mr. Daniels' contributions to the Chief Warrant and Warrant Officers Association through leadership, participation, and organization, have benefited all warrant officers and local clubs. We are fortunate to have an individual such as this among our ranks. Especially someone that will take an active role in the leadership of our organization. His loyalty and devotion to the Association should be recognized and rewarded by this high honor. Mr. Daniels is qualified and meets the requirements for Distinguished Membership.

Sincerely,

Carl B. Seale
