Dear Mr. President:

It is with great pride, honor and pleasure that the New Orleans Club of the CW & WO Association submits the nomination of CW04 George M. BRUNER, 402 32 1134, USCG, (RET) for DISTINGUISHED MEMBERSHIP in the Association.

Distinguished Membership is held in such high regard by this club, that we have exercised extreme care since being chartered in 1954, in the selection of a nominee. This our first nomination, was approved unanimously on 20 April 1979.

In the past 21 years that George has been an association member, he has held the following offices. Mid-Pacific Club-President, all other elected offices, and numerous committees, New England Club President and all other elected offices and numerous committees, New Orleans Club one term as President while on active duty and one term as President since retirement; Vice-President of Retired Affairs. George also served on the Membership, By-Laws and Entertainment committees. The annual Seafood Boil with average attendance of 250 people is always a success with George in charge as well as this years Crawfish Boil and other social affairs.

During late 1974 and early 1975 our club was on the verge of returning its charter. Through George's untiring efforts and devotion and involvement in the New Orleans Club and the National Association this club is once again a success. George continues this effort and devotion to maintain unity, interest, participation and social involvement of all warrant officers and other eligible members of the Association in the New Orleans area.

George serves the local community as Chairman of Board of Directors New Orleans Coast Guard Credit Union, a member of the Shriners Clown Unit (performing at parades and childrens hospitals throughout the south). George is a regular attendee of Calvary Baptist Church.

Favorable endorsement of our nomination of George M. BRUNER for DISTINGUISHED MEMBERSHIP by the President, Special Committee, Membership Committee, Association Officers, Chairman of the National Council and representatives of the district and area clubs is requested.

Dear Mr. President:

At the April 1979 meeting of the New Orleans Club, CW04 George M. BRUNER (retired) was unanimously approved for nomination to the National Association for Distinguished Membership in the Association. I understand that our Club President is to submit this nomination to the Association for consideration at the Annual meeting in September. I wish to go on record, as an individual member, supporting the nomination of George Bruner for Distinguished membership. I have served with George in the Fourteenth (Mid-Pacific Club) and on two separate occasions in the Eighth (New Orleans Club). George has always been and continues to be an active member of the club and Association. He has served ~~as~~ president of the New Orleans Club (twice) and has held other elective offices and is always the first to volunteer to serve on committees. As a member of the New Orleans Club (1969-1973) (1978-present) I know for fact that many (most) of our social affairs would not have been a success or even held if it hadn't been for George's personal efforts and devotion. My tenures as President of the New Orleans Club (1972-73) were most pleasurable, mainly because of George's support and active participation.

I again reiterate my support for George's selection as Distinguished Membership. I request your personal support and also that of the Chairman, committees and representatives of the district and area clubs for the elction/selection of George Bruner as a Distinguished member.

TONY M. ROBINSON
