

DEPARTMENT OF THE NAVY

# Memorandum

DATE: 15 December 1972

FROM : CWO A. C. YANO

TO : Chairman, National Council, USCG CW & WO Association

SUBJ : Distinguished Membership; nominations for

REF : USCG CW & WO Ass'n Constitution and By-Laws, Article II, Section 3

1. I nominate CWO (Ret) Dallas W. Palmer and CWO Gerald D. Husky to join the ranks of our Distinguished Members.
2. The activities of Mr. Palmer in his capacity as full-time assistant Secretary of the Association is well known. He consistently exceeds the requirements of his job by performing services to and for the membership that would otherwise be delayed, dropped, or forgotten. While it may be difficult to draw a line as to where his job stops and his devotion to the Association starts, those of us that know him can not deny that he has done, and continues to do, more than his job requires. This extra devotion should be officially recognized by bestowing the title of Distinguished Member upon him.
3. The recent activities by Mr. Husky on behalf of the Association in obtaining an insurance plan has added an important benefit for not only our membership, but ~~more~~<sup>most</sup> military personnel in the Coast Guard as well -- both active and retired. Mr. Husky was not only the chairman of the Insurance Committee, he was the committee. His research, contacts, presentations and tenacious pursuit of this program, which continued after many of us would have given up with frustration, should be sufficient cause for adding his name to the Distinguished Membership rolls.
4. Because of the nature of these nominations, I recommend the Membership Committee be presented with these nominations for consideration in the absence of Mr. Palmer, who is a standing member of that committee.
