

## USS Glacier (AGB-4); USCGC Glacier (WAGB-4) & all Icebreaker Reunion

**September 20-22, 2024**

**Welcome Glacier (AGB/WAGB-4) sailors!** A reunion has been planned for all Glacier and all icebreaker sailors for September 20-22, 2024, in Mystic Connecticut. It promises to be a once in a lifetime opportunity to reconnect and reunite with old shipmates. Share a few sea stories and tell a few tales! The response so far has been incredible. We have over 200 emails of shipmates at least three of which are authors. There will be an author's signing table where you can purchase their books and get them signed.

## USS Glacier (AGB-4); USCGC Glacier (WAGB-4) & all Icebreaker Reunion

September 20-22, 2024

The history of the USCGC Glacier is only second to Shackleton’s trips aboard Endurance. The Glacier made 29 Antarctic and 10 Arctic trips during her 32-year career. She was commanded first by nine different Navy CO’s then transferred to the Coast Guard, and commanded by 12 Coast Guard CO’s. Although she went south every year, she did not always make a north trip, for 18 years she went both ways, north & south trip. Your trips sailing aboard Glacier are always a part of the Navy and Coast Guard history.
