Dear Sirs,

The Juneau Club of the CW&WO nominates CWO4 (Ret) James H. Tyner for Distinguished Membership in the CW&WO Association.

CWO Tyner has been an integral member of our club for over twenty years. He organized our first fund raising event in 1975, and we named the annual Wong Tyner dinner in his honor. Assisted by his wife, Louise, they have been the driving force behind its annual recurrence. It remains our primary source of club income, and permits us to fund local recognition efforts like Sailor of the Quarter prizes, as well as providing contributions to the National Building and Scholarship funds.

CWO Tyner has served the CW&WO Association as President of the Kodiak and Juneau clubs, as well as a member of the National Council. During my tenures as Treasurer and President in Juneau, CWO Tyner's support of the club has been unmatched. He is most deserving of this honored recognition.
