President
CW&WO Association
National Headquarters
492 L'Enfant Plaza East, S.W.
Washington, DC 20024

Dear Mr. President:

I hereby nominate CWO4 (ELC) Theodore J. Falter for Distinguished Membership in the Association.

CWO Falter has been a member of the Association since his appointment to the Warrant Officer ranks in October 1968. He was an active member of the New York Club. He has served in several capacities in both the local Washington DC Club and the National Association. He has served as Secretary of the Washington DC Club, National Purser, and as National Secretary in 1978. He was President in 1980 and again in 1981. He has served on the Permanent Finance Committee on five occasions. He has served on the Reorganization Committee, as well as the Ballot Committee. For the last ten years, he has been, and IS the Insurance Committee. The work CWO Falter has done as Chairman of the Insurance Committee alone would more than qualify him for induction to the Distinguished Membership ranks.

CWO Falter is a loyal member of our Association. His dedication to the Association over the years is unquestionable. It is with great pleasure that I have placed his name in the hat for election to the Distinguished Membership ranks of our Association.

Sincerely,

DARRELL R. SADLER
