Dear Mr. President

It is my pleasure to nominate Chief Warrant Officer William Iozzino (W-4), Retired, per the CWOA bylaws, Article II, Section 2(b) as a CWOA Distinguished Member.

Having worked with CWO Iozzino for the last several years on the bylaws committee and at several CWOA annual meetings, he has demonstrated his dedication to the Association and for the Coast Guard Chief Warrant Officer Corps. When representatives from a local chapter could not make it to the annual meeting he stepped up to volunteer to represent those chapters and work with them to carry their concerns to the annual meeting.

As chairman of the bylaws committee for the several years he has ensured that the committee responsibilities have been timely and steadfast. His enthusiasm and dedication to the Coast Guard Warrant Officer Corps and the Association has been nothing less than exemplary of what one would expect of a Chief Warrant Officer, and expected to continue for many years to come.

Please find attach a list of offices and committees that I am aware of that Chief Warrant Officer Iozzino has held thus far within the CWOA.

Respectfully submitted,

C. William Mattoon
